Die Automobil-Ausstellung wirft ihre Schatten voraus –

– und offenbart schon heute als Vorschau einige neue Modelle der Autoindustrie, die in Frankfurt zu sehen sein werden. Unser Bild zeigt den DKW-Junior mit seiner neuzeitlich-eleganten Karosserie, der über einem Dreizylindermotor von 741 ccm (34 PS) verfügt. Das Fahrzeug hat eine Höchst- und Dauergeschwindigkeit von 115 km/st. und wird auch mit Kupplungsautomat geliefert
